3. Transportation

For Package Tour = BBT + Tour

Upon arrival in the airport, JayJay Van Driver 09284083105 will fetch you. You don't have to pay Jayjay for the transfer service.

If you are lodging at Princess Of Coron or Mt Tapyas Hotel, airport transfer will be provided by the lodge.

Just look for the "DIY Coron" sign or YOUR NAME. The van will take you to your intended destination. When going back to the airport, the same van driver will seek for you.

Please ignore other airport transfer offer, because this means you will have to pay for your own airport transfer.

Just in case Jayjay will not be available, Gerald 09212652210 or Danmar 09205404488 will serve as alternates.

#### 4. Food

Lunch food is always included in the day trip, but not in the half day trip. When it is an island overnight, 4 meals is usually covered. Meal is composed of grilled seafoods (catch of the day such as fish or squid), ready-to-eat vegetables (such as cucumber, tomato, grilled eggplant, seaweeds), fruits (such as banana lacatan), water and softdrink. For 1-4pax number of joiners, only water would be provided, no softdrink.

Breakfast and Dinner at Coron town is not covered. My estimate cost for this when you eat at carenderia is P50-150 per meal.

Sample breakfast items (when in island overnight) are fried or plain rice, corned beef, dried fish or squid, fried egg, coffee or tea, bread, sausage.

There are days when fresh seafood catch is scarce due to strong sea waves and during peak time. When this happens, alternative pork or chicken may be combined with some seafood, or it could be purely pork or chicken meat food.

#### 5. General Safety & Health

Do not hold on or step on to rocks or coral when in the sea or lagoon. The rocks there are very sharp. I have seen injury from this seeming harmless stone. Do not jump from the boat or from a higher platform. To avoid touching the sea urchin, when snorkeling always lay flat. To avoid jellyfish, always look what's underneath through snorkeling. When you see a jellyfish underwater, just slowly avoid them. Do not drink beer or any liquor while on the boat or while in the tour spots.

Do not forget to bring the following: Sun block lotion, anti-mosquito lotion, shades or cap or hat, light windbreaker such sarong would do, light raincoat (during rainy season, serves as cold wind breaker), your personal medicine, etc.

First aid kit is available from the boat captain.

#### 6. Snorkeling Gears Rental

For a limited number of snorkel gears, I offer my snorkel and fins rental. Rental Rate: Snorkel Mask = 100/day, Fins = 100/day. Should you loose/damage(unrepairable) it, you will have to pay the following amount: snorkel mask = 900, fins = 1500. A deposit may be collected on the day of rental. Snorkel Mask can be reserved in advance, by including this in the Tour Cost. Please notify me about this snorkel rental if you like to avail this.

If you will bring your own snorkel gear and you think you will rarely use the

snorkel or you want to buy a new one, you can sell it to me at a second hand price (P100-P600).

#### 7. Kids Rate

It should be free for below 4 years old, and half rate for entrance fee for 4-10 years old. But it do vary in some Coron spots. If this happens, the guide will notify you about it. Please just add corresponding entrance fee payment for kids.

#### 8. Environmental Advocacy

Please bring your own re-usable drinking cup or mug. A plastic bottle can also be used in refilling your drinks, but its narrow mouth may make refilling quite difficult. In this way, the use of disposable plastic cups will be minimized. My guide would always buy disposable drinking cup. But let us try not to use that by bringing our own re-usable drinking cup/mug/bottle. This is just one way of making our environment clean. Cancellation Fee is almost always equal to the Initial Deposit made before the trip date.

#### 9. Payment

Payment is to be done on the spot before the start of the tour or one day before. This will give your guide and boatman time to buy and prepare food and supplies.

Deposit is non-refundable. In case of airline's flight cancellation, Deposit can be reused within 2 months time. The deposit sent into my account are sent immediately to the reservation of lodging/boat/van.

#### 10. Cancellation

Cancellation means cancelling a confirmed trip. A fee will be collected should there be cancellation. The Cancellation Fee goes to the reservation of the van/boat/lodging/guide/food/etc. In Joining Groups, the group that initiated or expressed cancellation will be the one to shoulder the cancellation fee.

#### 11. ATM in Coron

There are 2 ATMs in Coron, Landbank and Allied savings Bank. They both uses Globe signal, which is weak in Coron. Therefore, expect it would always be offline. Better bring cash.

#### 12. Waiver.

In exchange for this tour, the Joiner agree to waive and release Owen Floro J. Ferrer III or DIY Coron on any and all claims arising from or in any way connected to the tour resulting from any accident or injury that may occur during the tour.

Until Then.  
Owen
