2. Transportation

For Package Tour = BBT + Tour

Upon arrival in the airport, JayJay Van Driver 09284083105 will fetch you. You don't have to pay Jayjay for the transfer service.

If you are lodging at Princess Of Coron or Mt Tapyas Hotel, airport transfer will be provided by the lodge.

Just look for the "DIY Coron" sign or YOUR NAME. The van will take you to your intended destination. When going back to the airport, the same van driver will seek for you.

Please ignore other airport transfer offer, because this means you will have to pay for your own airport transfer.

Just in case Jayjay will not be available, Gerald 09212652210 or Danmar 09205404488 will serve as alternates.

3. Food

Lunch food is always included in the day trip, but not in the half day trip. When it is an island overnight, 4 meals is usually covered. Meal is composed of grilled seafoods (catch of the day such as fish or squid), ready-to-eat vegetables (such as cucumber, tomato, grilled eggplant, seaweeds), fruits (such as banana lacatan), water and softdrink. For 1-4pax number of joiners, only water would be provided, no softdrink.

Breakfast and Dinner at Coron town is not covered. My estimate cost for this when you eat at carenderia is P50-150 per meal.

Sample breakfast items (when in island overnight) are fried or plain rice, corned beef, dried fish or squid, fried egg, coffee or tea, bread, sausage.

4. General Safety & Health

Do not hold on or step on to rocks or coral when in the sea or lagoon. The rocks there are very sharp. I have seen injury from this seeming harmless stone. Do not jump from the boat or from a higher platform. To avoid touching the sea urchin, when snorkeling always lay flat. To avoid jellyfish, always look what's underneath through snorkeling. When you see a jellyfish underwater, just slowly avoid them. Do not drink beer or any liquor while on the boat or while in the tour spots.

Do not forget to bring the following: Sun block lotion, anti-mosquito lotion, shades or cap or hat, light windbreaker such sarong would do, light raincoat (during rainy

season, serves as cold wind breaker), your personal medicine, etc.

First aid kit is available from the boat captain.

5. Snorkeling Gears Rental

Snorkel gears can be rented in the town. The boatman or the local guide usually have rentals at P150/day. My general advise is to bring your own snorkel gears. Rented snorkels usually is damaged or lost, and when this happens you have to pay for it.

If you think you will rarely use the snorkel but you want to buy a new one, you can sell it to me at a second hand price (less than P900).

6. Kids Rate

N.A.

7. Environmental Advocacy

Please bring your own re-usable drinking cup or mug. A plastic bottle can also be used in refilling your drinks, but its narrow mouth may make refilling quite difficult. In this way, the use of disposable plastic cups will be minimized. My guide would always buy disposable drinking cup. But let us try not to use that by bringing our own re-usable drinking cup/mug/bottle. This is just one way of making our environment clean.

8. Payment

Payment is to be done on the spot before the start of the tour or one day before. This will give your guide and boatman time to buy and prepare food and supplies.

Deposit is non-refundable, but can be reused. The deposit sent into my account are sent immediately to the reservation of lodging/boat/van.

9. ATM in Coron

There are 2 ATMs in Coron, Landbank and Allied savings Bank. They both uses Globe signal, which is weak in Coron. Therefore, expect it would always be offline. Better bring cash.

10. Waiver.

In exchange for this tour, the Joiner agree to waive and release Owen Floro J. Ferrer III or DIY Coron on any and all claims arising from or in any way connected to the tour resulting from any accident or injury that may occur during the tour.

Until Then.
Owen
